Batoi Hub Now Supports Publishing in Hindi

Bhubaneswar, India – March 31, 2024 – Batoi, a leading software development automation company, is delighted to announce that Batoi Hub, its digital publishing platform, now supports publishing in Hindi. This enhancement empowers publishers, authors, and content creators on Batoi Hub to publish and share their content more effectively in Hindi, reaching a broader audience.

Content creators and publishers can now publish and manage articles, blogs, eBooks, and other content in Hindi, leveraging Batoi Hub's robust suite of tools and features. This support is particularly beneficial for creators who prefer to communicate in Hindi or aim to reach Hindi-speaking audiences.

"The addition of Hindi as a publishing language on Batoi Hub aligns with our commitment to making our platform user-friendly and more accessible to a broader audience," said Ashwini Rath, CEO of Batoi.

How to Get Started

All users have immediate access to Batoi Hub's Hindi portal. To start publishing in Hindi, users must log in to Batoi Hub and select Hindi from the language options while creating content. We invite all our users, publishers, and content creators to explore this new feature. Stay tuned for more updates as we continue to enhance our platform.

About Batoi

Batoi is a software development automation company. The Batoi RAD Platform revolutionizes software engineering by automating development, deployment, telemetry, and workflow management processes.
