

# Batoi Announces Launch of WorkforceConnect - A Dynamic Community Portal Solution with Job Board

**Bhubaneswar, India – December 15, 2021**—Batoi, a leading software development automation company, is delighted to announce the launch of [WorkforceConnect](#) - a dynamic community portal solution with a job board integrated with the [Batoi RAD Platform](#). This cutting-edge platform is designed to revolutionize how vibrant and interactive online communities digitally connect with their local community and empower their economic growth by encouraging local talents to seek career opportunities in the region, facilitating precise skill matching, and fostering growth within the community.

## Key features of WorkforceConnect

The key features of WorkforceConnect include:

- **Comprehensive CMS and Job Board:** Access a comprehensive CMS to manage your community website effortlessly. The job board includes a dedicated panel for Employers, making it a seamless hub for employment opportunities.
- **Daily Job Feed & Advanced Search:** Get daily job feeds from the National Labor Exchange (NLX) to have your job board populated with high-quality jobs. Easily facilitate job searches with sophisticated location and industry-wise filters.
- **Community Engagement Tools:** Get access to different community management tools to publish and manage dedicated content, including blog posts and events.
- **Customization and Bespoke Experiences:** Tailor your community experience - from layout to functionality. The solution is available with the Batoi RAD Platform.
- **Multi-Level Portal Management and Documentation:** Customize portal access with multi-level roles for administrators. Extensive and user-friendly documentation is available to guide every step.
- **Enhanced Sponsor Visibility:** Use the built-in analytics to demonstrate how you positively impacted your region's economic health to secure sponsorships and funding.

## Get Started with WorkforceConnect

To learn more and to explore the platform and its robust features, visit the [WorkforceConnect](#) home page.
