

Batoi Solutions for Manufacturing and Supply Chain

Streamline Production and Optimize Logistics

batoi.com/solutions/manufacturing-supply-chain

The Manufacturing and Supply Chain Industry Landscape

Driving Efficiency and Visibility with Smart Solutions

The smart manufacturing market is projected to reach **\$540 billion by 2025**

74% of manufacturers plan to increase investment in automation technologies

Key Challenges in Manufacturing and Supply Chain

Addressing Production Efficiency, Logistics, and Visibility

Reducing production downtime and optimizing workflows

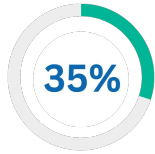

Improving logistics management to ensure timely delivery

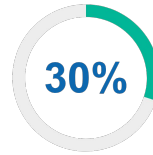

Gaining end-to-end visibility across the supply chain

Delivering Results That Matter

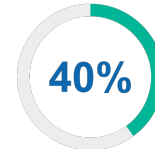

Measurable Success in Manufacturing and Supply Chain

35% Reduction in Production Downtime: Real-time monitoring and predictive maintenance

30% Improvement in Logistics Efficiency: Optimized logistics workflows enhance on-time deliveries

40% Increase in Supply Chain Visibility: Digital tracking tools offer greater insight and control

Our Capabilities

Optimizing Production, Logistics, and Supply Chain Visibility

Production Workflow Automation

Reduce manual intervention and enhance accuracy

Logistics Management

Streamline planning, route optimization, and shipment tracking

Predictive Maintenance

Use analytics to prevent equipment failures and reduce downtime

Supply Chain Visibility

Gain complete visibility to make informed decisions

Batoi Products for Manufacturing and Supply Chain

Tools to Drive Efficiency and Operational Excellence

Batoi RAD

Develop custom applications tailored to specific production and logistics needs

Batoi Insight

Analyze production data and supply chain metrics to drive informed decision-making

Batoi Loop

Enable secure communication and collaboration between production teams, logistics partners, and suppliers

Batoi Spark

Create a digital presence and showcase product catalogs, manufacturing capabilities, and supply chain partnerships

How Batoi Stands Out

Why Choose Batoi for Manufacturing and Supply Chain?

1

Comprehensive workflow automation and logistics management tools

2

Custom applications developed with **Batoi RAD** for specific operational needs

3

Secure communication and collaboration among teams and partners

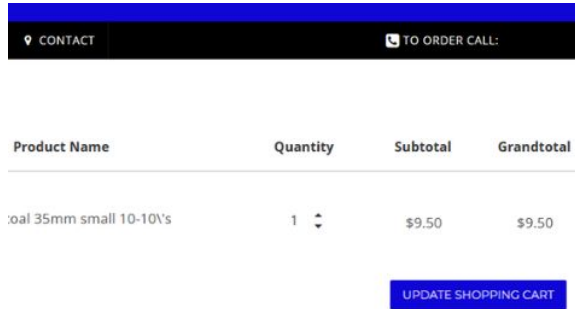

4

Deep insights into production performance and supply chain visibility

Success Story and Resources

Case Study

The screenshot shows a dark blue header with 'CONTACT' and 'TO ORDER CALL:'. Below is a table with columns for Product Name, Quantity, Subtotal, and Grandtotal. A single product is listed with a quantity of 1, a subtotal of \$9.50, and a grandtotal of \$9.50. An 'UPDATE SHOPPING CART' button is visible at the bottom right of the table.

Product Name	Quantity	Subtotal	Grandtotal
Coal 35mm small 10-10's	1	\$9.50	\$9.50

Enhanced Storefront with Improved Inventory Management, Payment Fixes, and CMS Integration
